

Welcome!

Kazi Nazrul University, named after the rebel poet, Kazi Nazrul Islam (1899-1976), was established in 2012. Department of Applied Psychology, established in 2015, is the first University Department in the district of Paschim Bardhaman that runs two-year Regular postgraduate programme in Applied Psychology and simultaneously is dealing with mental health issues and services. The Department is committed to academic excellence, professional growth of students and implementing community mental health services, given the scarcity of trained professionals, dire need of the region as part of its academic, professional and social responsibility. The Department has already taken a few challenges to deal with mental health issues, organized various awareness programmes in the University as well as in the Community on different occasions and organized series of invited lectures, national level symposium as its collaborative effort. The overwhelming responses, sensible feedbacks from participants motivate us to host a National Conference on a broader perspective. The theme of our three-day National Conference is 'Entitlement, Equality and Mental Health: Contemporary Psychosocial Perspectives'. The conference aims to promote an academic and research orientation among student community through illustrious lectures by eminent professionals of the discipline. It focuses on enriching and enlightening discussions on both barriers and advancements in identification, assessments of psychosocial issues and policy implementation in the field of mental health and rehabilitation to generate mental health awareness among the professionals, academicians and researchers.

Department of Applied Psychology, Kazi Nazrul University, takes great pleasure in inviting you all to the Conference. We also invite delegates to send their abstracts for symposium, oral paper presentation, poster presentation.

Sub-Themes:

- Disability: stigma and social justice
- Human rights, Social empowerment and Equality – Medicolegal advances
- Rehabilitation and policy implementation: issues and challenges
