Sub : Mock Test during the year 2016-17

Dear Madam,

As you may be aware that State Productivity Council-West Bengal is the pioneer organization in the field of Training and Consultancy, having been established in the year 1959. The council has a broad-based Governing Body with representatives of State Government, Local Industries & Trades, Central Trade Unions and Professional Institutes like IIMC, IISW & BM, Calcutta University etc. with **State Chief Minister as its Ex-officio President** and **Hon'ble Minister in Charge Labour&ESI as its Working President**.

We have been given the responsibility to conduct various Mock Tests on behalf of **Directorate of Employment, Labour Department**. On this context we are collaborating with all the Colleges and Universities so that maximum number of job seekers can avail the facility.

These tests are conducted inline of job-oriented competitive Examinations to create awareness about those examinations and to help the job seekers to prepare/assess themselves in respect of such examinations. This test will be conducted following the exact procedure of the original tests. The candidates will get the result online and from Employment Exchange as well.

We therefore request you to inform your students to sit for the test. An advertisement and the form are attached along with this letter.

I hope your organization will take interest in this initiative of Directorate of Employment, Labour Department, Government of West Bengal.

Thanking you,

Yours faithfully,
