Ref. No. KNU/R/Notice/681/20

Date: 26.08.2020

Notification

To

All Students of PG Courses
Kazi Nazrul University Campus

Dear Students,

We would like to appreciate for your active participation in the online teaching-learning process during the lockdown period, which has made it possible to continue the teaching learning process. The University has maintained constant contact with the students through the mentoring system developed by the University and has provided Rs. 1000/- as financial assistance to all the students who have been identified as needy for continuation of their studies and submission of University fees. Due to this joint activity of the students and the teachers the University is in a position to publish the result on time.

I am directed to instruct you further that if any student still has some difficulty in paying the University fees, may submit his/her prayer to the undersigned with reasonable ground and adequate supporting documents so that the University may make a provision for extending further financial support as far as possible, and you can deposit the University fees.

S. K. Ghosh
