Participative College Placement Drive

Jeevitam is organizing a webinar in the series "Participative College Placement Drive" focusing on the Digital Job fairs for Colleges at 5:00 PM on Friday 25 September 2020.

We are aware of the current situation that, due to the lockdown there have been certain constraints in the learning and working opportunities. The major concern is for those students who are in their Final Year and will not be able to go through the Campus Placements process. We also are aware that the entrepreneurial bug is in the air and the First and Second Years look for opportunities like Free-lancing and Apprenticeship to become potential entrepreneurs.

For such students, we have introduced the Atmanirbhar Student Campaign. The campaign will allow the Online Campus Placements and students will be able to interact and connect with different companies.

Following will be your take aways:

1. How to find suitable Livelihood Opportunities.
2. Know how to create a network and grow a circle of Influence.
3. Get a chance to interact with people from various sectors.
4. Opportunities to become Social Entrepreneurs and contribute.

1. To save your seat, please register and also share this invitation far and wide to benefit maximum people:
