Dear Dr. Sujay Bandyopadhyay,

As the local organizer of the forthcoming **European Geosciences Union (EGU) Galileo Conference 2019** "*Perturbations of earth surface dynamics caused by extreme events*" to be held in Nepal, 13th to 19th of October 2019, we cordially invite you to participate in this event.

We hereby confirm that your contribution entitled "*Century-Scale Flood Response in the Rarh Region of Lower Gangetic Plains, India: towards understanding of Climate and Humans' Interaction*" **is accepted** to be presented as oral presentation.

We are also happy to inform you that your application for the **EGU Early Career Scientist Support** was successful. The support will cover the conference fees, food and accommodation during the conference in a total value of 445.-€.

It should be understood that this personal invitation is only meant to help you to raise travel funds or to obtain a visa; it is not a commitment on the part of the organizers to provide financial support.

We look forward to meeting you in Kathmandu Nepal.

Kind regards,

In the name of the organizers team

Dr. Christoff Andermann
